While *A Christmas Story* is based in Indiana, the exterior house shots were filmed on location in Cleveland, Ohio. After purchasing the house, Brian Jones set about renovating the house—including the interior, which the production shot on a soundstage in Toronto—into an exact replica of the Parkers' house in the film. It's open to the public and serves as a museum that is full of props and movie memorabilia.

Something to Ponder

Hatley Castle, located in British Columbia, Canada, was used as the exterior for Xavier's School for Gifted Youngsters in the X-Men movies.
